

Official Denial

Just to make it official:

I am not now nor have I ever been an advocate of critical theory. In fact, I didn't even know what it was until last summer.

Just trying to find time to read Karl Barth, Thomas Aquinas, Richard Hooker, to write two books in the last couple of years, and even barely keep up with what's happening in Systematic Theology, philosophical theology, historical theology, Anglican history, and Christian ethics just doesn't leave me the time to get corrupted by the Frankfurt School.
